Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

LETTER OF TRANSMITTAL

In the above-identified patent application, the Applicants transmit herewith the following documents: (1) Petition for Extension of Time Under 37 C.F.R. 1.136(a), (2) Request for Continued Examination (RCE) Under 37 C.F.R. 1.114, (3) Supplemental Information Disclosure Statement, (4) Form PTO/SB/08a (2 sheets), and one copy of each reference cited on Form PTO/SB/08a.

The undersigned notes that the Petition for Extension of Time is estimated at only 1 month, as opposed to 3 months. If this estimate is incorrect, the Office is authorized to charge Account No. 04-1512 the correct fee for the Extension of Time. By way of explanation as to why the Applicants estimate the extension at only 1 month, we present the following facts:

A "Final Rejection" was mailed from the Patent Office to the Applicants on December 14, 2006, indicating a 3 month shortened period for response ending on March 14, 2007. Applicants filed a "Response to the Final Rejection" on February 8, 2007, in advance of the 2 month deadline of February 14, 2007, following the Final Rejection. (The Response canceled the rejected claims and maintained the claims that were held to be allowable.) Public PAIR (copy attached) shows that the "Response to Final Rejection" was received at the Patent Office in

good order and delivered to the Examiner on February 23, 2007. As of the present date, no Advisory Action, Notice of Allowance, or any other action has been mailed to the Applicants from the Patent Office. Accordingly, Applicants believe that it is fair to estimate a 1 month extension fee in the present application.

Nevertheless, the 6 month statutory period for response is due to end on June 14, 2007. Therefore, in an abundance of caution, if the Patent Office disagrees with the Applicants' fee estimate for the extension of time, the Office is authorized to charge the Debit Account noted hereinabove the correct fee necessary to maintain the application from abandonment.

Respectfully submitted,

Marie F. Zuckerman
